Lock him up and throw away the key. Haha

He usually goes after the police officers and not the chemists.

I know. Nicole Manoog was saying that. So funny - by the way, the update on our friend [REDACTED] is that he went before a 3-justice appellate panel on his contempt issue and it's under advisement.

Thanks,

Annie,

You are no longer needed this week on the trial of [REDACTED] in Superior Court. A murder trial started today so that will take up the court's time and I have been told to cancel witnesses.

Thanks and I'll let you know of any further dates,
